
300 Senior Leaders in Digital Healthcare Confirmed to Present at The Digital Healthcare Show

CloserStill Media announces 300 speakers confirmed at The Digital Healthcare Show, part of Health Plus Care, taking place at ExCeL London on 18-19 May 2022

CloserStill Media, organisers of The Digital Healthcare Show, taking place at ExCeL London on 18-19 May 2022 are delighted to announce 300 expert speakers, including the CEO of NHS Digital.

The Digital Healthcare Show offers a series of stimulating and practical sessions including high profile panel discussions and inspirational sessions, all delivered by senior leaders and influencers within digital healthcare. There are four tailored content theatres you're able to join focused on: data and analytics, digital transformation, technology enabled care and a special **keynote theatre to hear crucial updates from key organisations such as NHS Digital, NHS England and NHS Improvement, Chime, BCS and many more.**

FREE tickets for all Healthcare Professionals are available to book [here](#).

Offering over 88 hours of content, this is an unrivalled opportunity to earn CPD accredited training all under one roof.

Some of our top speakers at this year's Digital Healthcare Show include:

- Simon Bolton, CEO, NHS Digital
- Ming Tang, Chief Data and Analytics Officer, NHS England
- Minal Bakhai, Clinical Director for General Practice Transformation and Digital First Primary Care,

NHS England and NHS Improvement

- Dr Nicola Byrne, National Data Guardian
