
Markus Schwab Joins Akedis Innovations GmbH as Support Member for Documentation and Projects

[Markus Schwab](#) has recently taken on the role of Support Member for Documentation and Projects at [Akedis Innovations GmbH](#), marking a significant addition to the company's team. In his new capacity, Schwab is expected to contribute his extensive expertise to bolster the documentation and project support functions of the innovative tech firm.

Schwab gained valuable experience prior to joining Akedis Innovations GmbH while working at Synedra IT GmbH. He served as a Key Account Manager, or Kundenbetreuer, from January 2018 to October 2023, during which time he demonstrated his commitment and proficiency in managing key accounts for over five years. Even while working part-time in a hybrid work environment, he played an essential role in building and maintaining client relationships.

Furthermore, Schwab held the position of Projektleiter and Account Manager for 2 years at Synedra IT GmbH, showcasing his abilities as a project leader and account manager. His multifaceted role involved overseeing projects and managing client accounts, contributing to the company's success during his tenure.

With a proven track record and a wealth of experience, Markus Schwab's appointment at Akedis Innovations GmbH is poised to bring added strength to the company's support, documentation, and project management efforts.
