
Thorben Krumwiede Takes Senior Role at CSL Behring

[Thorben Krumwiede](#) has joined [CSL Behring](#) as Senior Director of Policy, Advocacy, and Government Affairs for Germany and Emerging Europe. His significant experience and knowledge are expected to guide the company's strategic objectives in these critical areas.

Krumwiede brings a wealth of knowledge from his previous roles, notably as the Managing Director at Independent Patient Advice Germany (UPD) gGmbH. Over his eight-year tenure, he spearheaded efforts to enhance health literacy among Germans, navigated complex health law issues, and championed patient sovereignty. His leadership has undoubtedly left a lasting impact on the organization's mission to empower individuals within the healthcare system.

Before his tenure at UPD, Krumwiede served as a Business Development Manager at Sanvartis GmbH, where his contributions were instrumental in driving growth and fostering key partnerships within the industry.
