
Agfa HealthCare Confirmed for the 2nd Year as Cybersecurity Transparent Leader

At RSNA 2022, [Agfa HealthCare](#) received the prestigious recognition of Cybersecurity Transparent Leader, awarded by KLAS Research and Censinet.

For the 2nd year KLAS Research and Censinet joined forces to elevate the standards for cyber security and risk management in the healthcare industry. In September 2021 Agfa HealthCare was one of the pioneers in this cybersecurity evaluation. We are proud to have been designated as Cybersecurity Transparent Leader. This is a demonstration of our willingness to share and continually improve our overall cybersecurity maturity and shows our commitment to our clients to support them in the delivery of safe and secure patient care.

Congratulations to the entire team that made this happen, and will continue to do so!
