FP Markets Claims a Hat-Trick for a Second Time in a Row at the Global Forex Awards 2023 for 'Best Value Broker - Global', 'Best Broker - Europe' and 'Best Partners Programme - Asia'

Leading Forex and CFDs broker [FP Markets](#) continued to raise the bar at the prestigious Global Forex Awards 2023 event in Limassol, receiving multiple awards. Crowned 'Best Value Broker - Global' for a fifth consecutive year, as well as 'Best Broker - Europe' and 'Best Partners Programme - Asia' for a second time in a row, these accolades represent a further significant milestone for the company and follows a series of recent prominent industry awards. FP Markets was awarded the 'Best CFD Broker in Africa' at the FAME Awards 2023 earlier in the year, followed by awards for 'Best Trade Execution' and 'Most Transparent Broker' at the Ultimate Fintech Awards APAC 2023 in June.

Celebrating its sixth year, the Global Forex Awards ceremony took place at Siaro Loft in Limassol, Cyprus and welcomed a highly competitive calibre of entries from leading brokerages in the industry. The large turnout was a testament to the event's success and popularity. Among several acclaimed award categories, winners were nominated for their trade execution, transparent approach, world-class customer service and Partnership Programmes.

FP Markets CEO Craig Allison commented: 'FP Markets are delighted to have won three awards. Winning the Best Value Broker - Global', 'Best Broker - Europe' and 'Best Partners Programme - Asia' demonstrates the global reach of the company and the commitment and dedication of the FP Markets team to deliver the best possible trading experience.
