
Welcome to Stella Mastora, the new president of Europa

After four years of dedicated service as our President, we extend our heartfelt gratitude to **Tanja Spanic**, whose mandate has now come to an end. We were honored to be led by such a remarkable lady: she significantly contributed to Europa Donna's advocacy work and good reputation, achieving notable successes during very difficult times. Tanja's commitment to our cause remains steadfast as she will continue to serve as a Board Member. We eagerly anticipate witnessing her continued dedication and impact in this new capacity.

At the same time, we are thrilled to announce and extend our warm congratulations to our **new President, Stella Mastora**, hailing from Europa Donna Cyprus. We wish her a mandate filled with success and progress. We are confident that, akin to Tanja and all our esteemed past presidents, Stella will bring a high level of commitment and dedication to our organization.
