

2012 Sepsis Guidelines Were Published

A revised and updated edition of "**Surviving Sepsis Campaign: International Guidelines for Management of Severe Sepsis and Septic Shock: 2012**" were officially released at the Society of Critical Care Medicine's 42nd Congress in San Juan on January 20. Thirty international professional organisations supported the content of the new guidelines.

A PDF version of the new guidelines can be downloaded from: <http://www.sccm.org/Documents/SSC-Guidelines.pdf>
