
6th Edition of the Healthcare Disrupters Congress by Agora Group on October 31st in Dubai, UAE.

Agora Group is hosting its 6th edition of the Healthcare Disrupters Congress on October 31st, 2023, at the Conrad Hotel, Dubai, UAE.

The 6th Edition HDC is the first in the MENA region to explore the opportunities and challenges of disruptive technologies in Healthcare and real life impact on patients' outcome and experience.

We are honored to have Dr. Amin Al Amiri, Asst. Undersecretary of Public Health Policy & Licensing Sector at UAE Ministry of Health & Prevention, and Dr. Mariam Mohamed Fatima Matar, Founder & Chairperson of UAE Genetic Diseases Association, as our Keynote Speakers at the event. The conference agenda will host a remarkable lineup of speakers and subject matter experts from GE Healthcare, HealthAsyst, FUH Dubai, Burjeel Medical City, and many more companies in the field.

The congress is an exclusive, closed- door, C-level event, where we are expecting more than 100 senior level decision makers. They are all CEOs, CIOs, CTOs of all major healthcare institutions, Hospitals, Investors, Insurance, Clinics, Government and Technology Solution Providers in the GCC region.

This format of the event is focused on pre-arranged and pre-scheduled one-on-one meetings between qualified decision makers and Solution Providers to learn about the latest Healthcare Technology solutions and explore the opportunities and challenges of disruptive technologies in Healthcare and its real-life impact on patients' outcome and experience.

Themes of the conference:

1. **Precision Medicine by UAE Genetic Diseases Association**
2. **AI and Machine Learning**
3. **Data and Wearables Technologies for Better Health**
4. **Drafting the A Team**
5. **Medical Tourism Challenges and Opportunities**
6. **The Shift: Telemedicine Digitization**
7. **Mental Health and Emotional Intelligence**

"On behalf of our entire GEHC team, we would like to congratulate you on a successful event & are glad that it went ahead so well! In terms of our participation, we are extremely happy with how everything was run. Our presentation went ahead smoothly, and we had the right audience & executive meetings lined up. Finally, the support from your team was fantastic throughout the event. We really appreciate you going above & beyond in accommodating some of the requests we had along the way too."
