## Pioneering Interventional Cardiologist

> Don’t undertake a project unless it is manifestly important and nearly impossible. Edwin Land

**Career highlight:**

The first non-surgical implantation of a prosthetic aortic heart valve, performed on April 16, 2002 with my team in Rouen after 10 years of research. It turned out to be a revolutionary life-saving procedure.

The full Zoom On interview with Alain Cribier and more healthcare IT and radiology leaders can be found in our Blog section.
