
#ArabHealth 2015: Innovation & Achievement Awards Shortlist Announced

Informa Life Sciences Exhibitions, organisers of the annual Arab Health Exhibition & Congress, have announced the shortlisted nominees for the **8th Arab Health Innovation & Achievement Awards**. The awards are an acknowledgment of the exceptional accomplishments of individuals and organisations from the medical and healthcare industry in the Middle East, and their contributions to the progression in the field of medicine. Shortlisted nominees come from UAE, Qatar, Kuwait, Lebanon and Saudi Arabia and were chosen from more than 150 nominees who have excelled in the region's healthcare sector.

The winners will be announced on the sidelines of the Arab Health Exhibition & Congress on 27 January 2015 at the Dubai International Convention & Exhibition Centre.

Commenting on being shortlisted for the Cleveland Clinic Young Clinician Award, Dr Dima Abdelmannan from the Dubai Diabetes Centre said: "I am privileged to be shortlisted for the Cleveland Clinic Young Clinician award; this will motivate me on to continue in the career of my choice."

Proficiency Healthcare Diagnostics, part of Anglo Arabian Healthcare, are amongst the shortlisted organisations; Mark Adams, Founder and CEO of Anglo Arabian Healthcare commented that "Proficiency Healthcare Diagnostics are incredibly proud to have been shortlisted for the Roche Excellence in Laboratory Award for the second consecutive year. This achievement in itself shows the commitment that the Proficiency Healthcare Diagnostics team has to exceed every expectation in providing quality assured, exceptional laboratory testing services across the UAE."
