

Cardiology specialist Dr. John Anderson joins Essentia Health-Duluth Clinic

Dr. John Anderson, a doctor of osteopathic medicine specializing in cardiac electrophysiology, is excited to join the Essentia Health-Duluth Clinic. His specialty focuses on the electrical activities of the heart.

“I was drawn to Essentia due to its mission and dedication to patient care, its service area — which encompasses a broad population — and its commitment to community-based practice,” said Dr. Anderson.

Dr. Anderson earned his medical degree from the Kansas City University of Medicine and Biosciences, completed his internal medicine residency at the University of Nebraska Medical Center and finished two fellowships — one in cardiovascular disease and one in cardiac electrophysiology. He is certified by the American Board in Internal Medicine and cardiovascular disease.

“Providing personalized, patient-centered care is my No. 1 priority and I will always do everything in my power to provide the best care to my patients,” said Dr. Anderson.
