Carestream’s DR Systems Earn Highest Rating For Second Time This Year

Carestream Health earned the top rating in MD Buyline’s Market Intelligence Briefing™ (Q2 2015) for both portable and room-based digital X-ray systems for the second time this year. Carestream’s DRX-Revolution Mobile X-ray System and its DRX-Evolution and DRX-Ascend systems scored high marks from healthcare providers for performance, reliability, installation and service quality.

The DRX-Revolution was the highest rated portable system and Carestream also earned the highest rating in the DR (digital radiography) room category. This report also includes room-based systems from Quantum Medical Imaging, a division of Carestream.

MD Buyline’s reports are based on user satisfaction ratings in the following categories: system performance, reliability, installation/implementation, applications training, service response time and service repair quality.

Carestream systems are sold directly to customers while Quantum systems are available through a network of approved dealers. Both companies offer a variety of system configurations designed to address imaging needs for healthcare providers of all sizes.

About MD Buyline

For 30 years, healthcare providers have trusted MD Buyline for evidence-based clinical and financial insight into medical capital, technology, supplies and services. Staying true to our founding principles, MD Buyline continues to create transparency within the healthcare industry. By providing objective data, we enable hospitals to make informed financial and clinical decisions that are right for their hospital and patients. We serve about half of the nation’s hospitals and health systems. For more information, visit www.mdbuyline.com.

About Quantum Medical Imaging, LLC

Quantum Medical Imaging is a highly innovative company which designs and manufactures medical radiographic systems (both DR and CR digital solutions), for hospitals, imaging centers, orthopedics, clinics and private offices around the world. The company's radiographic systems are backed by our certified network of factory-authorized dealers for sales and service. For more information visit www.quantummedical.net.
