The CARS Congress Organising Committee invites you to be part of their congress which will be held in Geneva, Switzerland from 23 – 26 June, 2010. The congress is aimed at those who work in the fields of radiology, surgery, engineering, informatics and/or healthcare management and have an interest in topics, such as

- Image guided interventions;
- Medical imaging;
- Image processing and visualisation;
- Computer aided diagnosis;
- Surgical simulation;
- Surgical navigation and robotics;
- Model-guided therapy, and
- Personalised medicine
-

New PACS applications, including IT infrastructures adapted for surgery as well as related results from the DICOM and IHE working groups are also within the scope of CARS. Recent successful CARS congresses have taken place in Berlin, Paris, Tokyo, San Francisco, London, Chicago, Osaka and Barcelona. The congress will be held in conjunction with the annual meetings of ISCAS, EuroPACS, CAR, CAD and CMI societies.
