

Celebrating a Year of Prestigious Awards and Recognitions in 2023

In 2023, Affidea has once again set a gold standard in healthcare, garnering numerous awards and recognitions that highlight its unwavering commitment to patient safety, innovation, and community care.

"This year's achievements are a true reflection of our team's dedication to excellence in healthcare. Each award represents the hard work, innovative spirit, and compassionate care our staff across Europe bring to their roles every day. I am deeply grateful and immensely proud of how they continually rise to the challenges of modern healthcare, ensuring the highest standards in their everyday practice. Their commitment not only defines our success but also strengthens our goals to keep advancing and setting new benchmarks in the industry," says Guy Blomfield, Affidea's CEO and Chairman of the Management Board.

Affidea Shines on the Eurosafe Wall of Stars

In a remarkable achievement, Affidea has secured a prominent position on the Eurosafe Wall of Stars, with 103 of its centres awarded 5 stars by the European Society of Radiology. This prestigious recognition accounts for over 90% of all centres awarded, underscoring Affidea's exceptional commitment to patient safety and high standards in radiation protection. The success of our Dose Excellence Programme has been instrumental in this, with 80% of the Affidea fleet connected to the Digital Dose Excellence Programme. Notably, 94% of the examinations across the group follow a standard protocol, and more than 87% of them are performed with lower doses than the organisational reference levels for normal BMI patients.

Special Recognition for Affidea's Centre of Excellence in Radiotherapy

The IMC Banja Luka, Affidea's Centre of Excellence in Radiotherapy, has been honoured with special recognition from AmCham. This award celebrates Affidea Banja Luka's sustained support to the Department of Pediatric Hemato-Oncology of the University Clinical Center Banja Luka and the "ISKRA" Association. Their commitment to caring for the community and supporting children with malignant diseases is a testament to Affidea's core values of empathy and social responsibility.

Multiple Awards for Affidea Greece in 2023

Affidea Greece has been recognized as a model company in health services at the "Diamonds of the Greek Economy" forum, an accolade that highlights their business development and continuous growth. This distinction sets them apart as the only primary health care provider to consistently receive such recognition.

Additionally, at the Healthcare Business Awards 2023, Affidea Greece earned significant distinctions for their exceptional business performance, driven by investments in new clinics, advanced equipment, and comprehensive medical services. Their commitment to elevating patient care through HomeCare services further emphasises their dedication to enhancing patient life quality.

JCI Accreditation for Affidea Ireland

Affidea Ireland has proudly retained its Joint Commission International (JCI) accreditation, reaffirming its adherence to the highest standards of patient care and safety. This accreditation from JCI, a global leader in health care accreditation, reflects the unwavering commitment and hard work of the staff in Ireland. It underscores Affidea's dedication to maintaining and surpassing quality standards in healthcare, ensuring the best possible care for patients.

In 2023, Affidea has not only maintained its legacy of excellence but also expanded its horizons, proving its commitment to quality healthcare and patient safety across Europe. These recognitions are a testament to the organization's enduring dedication to excellence in all aspects of healthcare services.
