

Christie Clinic Department of Radiology Welcome Dr. Andrew Kim

Christie Clinic Department of Radiology is pleased to welcome Andrew Kim, MD. In the Department of Radiology, Dr. Kim specializes in breast imaging and uses state-of-the-art equipment to provide screening, diagnostics, and aid in surgical planning.

Dr. Kim attended medical school at the University of Illinois College of Medicine in Chicago, IL before going on to complete his residency in diagnostic radiology and his fellowship in breast imaging at the University of Washington in Seattle, WA. He was born and raised in Champaign-Urbana and has returned to serve and be part of the community again.
