Volume 20 - Issue 8, 2020 - Upcoming Issue

Cover Story: Patient Transformers

□

Today's patient is armed, informed and fully engaged in their care delivery. How does this abundance of knowledge change hospital systems and care delivery? How much is the patient already a care consumer with choices - and is there such a thing as too much choice? What innovative ideas is the market offering to face these challenges? This and much more is explored in our upcoming issue.
