

Dr. med. Ulrich Knopp new board member of the Franziskus Foundation

As of October 1, 2023, the Board of Trustees appointed Dr. med. Ulrich Knopp as new board member of the St. Franziskus-Stiftung Münster. The 55-year-old doctor will be the successor to Dr. Daisy Hünefeld who will be retiring at the end of the year after many years of extremely successful work. Together with the chairman of the board, Dr. Nils Brüggemann, Dr. Ulrich Knopp will form the future governing body of the Franziskus Foundation.

"In the selection process we selected Dr. Ulrich Knopp as a very experienced, highly competent and empathetic person. We are convinced that Dr. Knopp will cope very well with the very demanding tasks and challenges associated with the board position and at the same time fit perfectly into the broad team of the Franziskus Foundation. Miss Dr. Hünefeld, we would like to thank you for your highly committed and meritorious work as a board member for the Franziskus Foundation facilities," said Dr. Ludger Hellenthal, Chairman of the Board of Trustees.

Outstanding skills and excellent qualifications

For his new role on the board of the Franziskus Foundation, Dr. Knopp, who currently works for the Asklepios Group, has excellent skills and excellent qualifications. "I am very much looking forward to continuing the collegial and trusting collaboration on the board with Dr. Knopp. As Medical Director, he will be responsible in particular for the topics relating to medical strategy and medical processes," said Dr. Nils Brüggemann, CEO.

After studying human medicine in Giessen, Lübeck and Bergen/Norway, followed by a doctorate, Dr. Knopp received his specialist certification as a neurosurgeon and completed his studies in health economics in Oestrich-Winkel while working. After working as a neurosurgeon and management consultant, Dr. Knopp as clinic manager at the Schön Klinik Hamburg Eilbek. There he was particularly responsible for the management and reorganization after the takeover before he became the hospital's managing director and medical director and at the same time a member of the extended management of Schön Kliniken Holding. Furthermore, Dr. Knopp has been a lecturer in strategic and operational hospital management for many years.

Since 2018, Dr. Knopp is Managing Director at Asklepios Kliniken Hamburg GmbH, Asklepios Klinik Nord and is responsible, among other things, for the management of the medical service, medical development and strategy and medical risk management. In particular, Dr. Knopp will be very well placed in his new position on the board. The Lübeck native is married and the father of two adult children.
