

Duane Lawrence Embraces New Role as Executive Chairman at OneTouch Health

[Duane Lawrence](#) assumes the position of Executive Chairman, joining forces with the teams at [OneTouch Health](#) and [August Equity](#). With a keen eye on the rapidly expanding demand within the sector, Lawrence brings his wealth of experience to drive innovation and progress.

Hailing from Ireland and backed by August Equity, OneTouch Health is poised to revolutionise social and residential care technology solutions, catering to the burgeoning markets in Ireland, the UK, and Australia.

With a remarkable career trajectory spanning board leadership and executive roles, Lawrence displays a distinguished track record of enhancing organisational performance both financially and culturally. Drawing from his extensive expertise across diverse continents, Lawrence's leadership philosophy prioritises hands-on involvement and a people-centric approach.

His current roles as Non-Executive Director, Senior Independent Director, and Chairman of the Investment Committee at Simplyhealth underscore his commitment to improving access to healthcare for millions, aligning with his overarching purpose.

Moreover, Lawrence's chairmanship at Spark Health Agency and Rinicare highlights his dedication to advancing intelligent healthcare solutions. Rinicare, backed by Mercia and Catapult Ventures, stands at the forefront of innovative healthcare, leveraging AI and IoT to deliver cutting-edge remote monitoring and predictive modelling solutions, ultimately enhancing patient care and driving significant cost savings for care providers.
