Promoting Management and Leadership

Ensign Group, USA

The Ensign Group provides skilled nursing and assisted living services, physical, occupational and speech therapies, home health and hospice services, and other rehabilitative, healthcare and diagnostic services for both long-term residents and short-stay rehabilitation patients at 119 post-acute, assisted living and seniors housing facilities, nine home health companies, seven hospice companies, five urgent care locations and a mobile diagnostic business, across California, Arizona, Texas, Washington, Utah, Idaho, Colorado, Nevada, Iowa, Nebraska and Oregon. Ensign Group uses the DT590 Medical-Cart Computer for mobile staff functions such as at-patient data capture and room-to-room information access. Ensign Group also uses the DT519MD Medical Grade Integrated LCD System for a fixed wall-mount solution which allows easy access to medical information.
