

FORA - United Imaging Healthcare at AIIC

We are pleased to announce the successful participation of FORA SPA as distributor partner of [United Imaging Healthcare](#) in Italy in the 23rd Congress of Clinical Engineering (AIIC National Congress), held in Florence between 10th and 13th May.

Throughout the whole event FORA took the opportunity of showing the features of [uCT 960+](#), that was displayed at the booth while presenting the groundbreaking technologies of the comprehensive United Imaging Healthcare portfolio to Clinical Engineers, including amongst others, the world's first total-body PET/CT [uEXPLORER](#) and the world's first 75 cm, ultra-wide bore 3.0T MR [uMR.OMEGA](#).

The innovative technology attracted the outmost attention, and the techniques of AI were undoubtedly interesting for the participants for its impact in improving clinical outcomes.

This year, the AIIC Congress was visited by about 1,700 participants from all over Italy.

It was a great pleasure to be part of such an event!
