
HELIOS Klinikum Krefeld GmbH Hires Julia Dr. Schäfer as New Head of the Human Resource Department

Julia Dr. Schäfer has been appointed Head of the Human Resources Department at HELIOS Klinikum Krefeld GmbH, marking a significant step in her career. She brings a wealth of expertise as a seasoned HR professional to her full-time role in Krefeld, North Rhine-Westphalia, Germany.

Julia has an impressive career in human resources management. She previously worked as the Human Resources Director at Landsberg am Lech Clinic in Bavaria, Germany, where she demonstrated her talent for effective people management. Prior to this role, she was the Head of the Central Human Resources Service at Medical Park in Amerang, Bavaria, where she made significant contributions during her eight-month tenure.

Julia's career in human resources also includes a remarkable stint as the Head of Personnel Development at University Hospital Bonn AöR. Her extensive expertise and leadership skills position her an invaluable member of the HELIOS Klinikum Krefeld GmbH team.
