
HIMSS Exclusive: Day -1: AGFA HealthCare Secures Two #1 Positions at Best in KLAS Awards Show

The 2024 Best in KLAS winners were invited to join the KLAS celebrations last night in Orlando. The Best in KLAS Awards Show congratulated the winners of this year's Best in KLAS awards, saluting the outstanding efforts of vendors and service firms in the hottest market segments of healthcare IT. At this prestigious event, AGFA HealthCare was awarded two pinnacle accolades, securing the top spot in the **PACS Middle East/Africa category** for the second consecutive year, plus the top position in the **KLAS Universal Viewer category**. These awards underscore our unwavering commitment to delivering exceptional value and support to our customers, but also reinforces AGFA's commitment to delivering cutting-edge solutions across the world.

Mark Burgess, President for North America at AGFA HealthCare, comments:

"The Best in KLAS award acknowledges recognition – identifying the level of partnership that the top vendors provide to health systems, and the degree of confidence that healthcare providers have shown in our own organization. AGFA HealthCare's commitment to innovation, clinical empowerment and client satisfaction has resulted in the ultimate distinction."
