

"iF product design award 2009" and "Good Design Award 2008" go to TRUMPF products

AmbientLine has also rounded out this list with the oldest and most renowned design award, the Good Design Award. The Chicago Athenaeum American Architecture and Design Museum annually honours innovative and outstanding products from industry, product and graphic design with this award. In December 2008, it honoured TRUMPF with the Good Design Award in the
