

Invitation to presentation of Sectra's interim report on December 8

Linköping, Sweden – November 24, 2017 – The international medical imaging IT and cybersecurity company [Sectra](#) (STO: SECT B) will publish its six-month report for the period May to October 2017 on December 8, 2017. Sectra invites analysts, investors and the media to attend a teleconference in conjunction with the publication of the report.

Torbjörn Kronander, President and CEO of Sectra, and Mats Franzén, CFO of Sectra, will present the interim report and answer any questions.

Publication of interim report: 8:00 a.m. December 8, 2017
Presentation/teleconference: 10:00 a.m. December 8, 2017

To participate, call one of the following numbers five to ten minutes before the conference begins:

- SE +46856642690
- UK +442030089801
- US +18557532235

The presentation will be held in English and can also be followed online at www.sectra.se/irwebcast. A recorded version will be available via this link after the conference.

Approximately 15 minutes before the start, a presentation (PDF document) will be available for download at www.sectra.se/irwebcast.
