▣ **Ventilator emergencies**

[Neil R MacIntyre](#), Professor of Medicine, Duke University School of Medicine, USA. 11:45 – 12:10 100 Hall

Acute renal failure

Ivan Göcze, Department of Surgery and Surgical Intensive Care, University Medical Center Regensburg, Germany. 11:25 – 11:50 400 Hall

Obstetric critical care

[Sharon Einav](#), Associate Professor, Hebrew University of Jerusalem. 11:50 – 12:15 400 Hall

▣ **Optimization of aerosol bronchodilator delivery**

[Paolo Pelosi](#), Professor in Anaesthesiology and Head of the Speciality School in Anaesthesiology, University of Genoa, Italy; Head of the Department of Anaesthesia and Intensive Care at the IRCCS AOU San Martino IST in Genoa, ICU Management & Practice Editorial Board member. 17:40 – 18:00 100 Hall

Social Events

The scientific exhibition opens on Tuesday 15 March with cocktails from 18.00-19.00 (ticket included in registration fee).

On Thursday 17 March a trip to the circus is in store, an evening of fun and opportunity to watch a circus troupe (including some of the faculty members!) perform at the Big Top, and enjoy a buffet at Tour et Taxi", a converted warehouse complex located by the Brussels canal. Tickets will be available at the "Faculty Desk" at €80 per person.
