

Jean-Pierre Joins ANSM's Scientific Council

Jean-Pierre assumes a pivotal role as a Member of the Scientific Council at the ANSM National Agency for the Safety of Medicines and Health Products. With a robust background as a Senior Medical Advisor at France Assos Santé spanning six years, Jean-Pierre champions patient representation and advocates for the interests of health system users. At France Assos Santé, his leadership contributed significantly to amplifying user voices, establishing it as a vital organisation for healthcare advocacy.

His appointment to the ANSM marks a significant step forward in developing rules for pharmaceutical safety and health product regulations. Jean-Pierre contributes vital insights to the Scientific Council, drawing from his remarkable track record of lobbying for user-centric healthcare legislation.
