Joerg Riether is the New Chief Information Security Officer (CISO) at Vitos

Joerg Riether has taken on a significant new role as the Chief Information Security Officer (CISO) at Vitos, commencing his duties in September 2023. This career move reflects his unwavering commitment to ensuring the utmost security and protection of Vitos' invaluable information assets.

Joerg Riether's journey to this pivotal position has been marked by dedication and expertise. In his previous role, he held the dual role of Head of Information Security and Head of Technology (CISO/CTO) from January 2022 to September 2023, amassing a wealth of experience over 1 year and 9 months.

With his transition to CISO, Joerg Riether now focuses his efforts exclusively on fortifying Vitos' cybersecurity posture, an area where his passion and proficiency truly shine. His leadership promises to steer the organisation through the ever-evolving landscape of digital threats, ensuring that Vitos remains at the forefront of information security in an increasingly interconnected world.
