
Join ICU Management & Practice at #LIVES2019 in Berlin

ESICM's Annual Congress LIVES begins from 28th September to 2nd October in Berlin. With over 6000 physicians, anaesthetists, and nursing health professionals from 97 different countries and a faculty of more than 300 international speakers, LIVES is one of the biggest events of the year in intensive care medicine.

This year in Berlin, there will be 82 abstract sessions, 9 parallel scientific sessions, 8 master classes, 3 diploma preparation courses, 20 interactive sessions, 15 interactive debates and 25 sessions in the Simulation Centre and Nueuro Lab, the NEXT Lounge and Tech Lounge. Not to forget the networking possibilities at the event, the excellent social programme and the congress exhibition. All in all, [#LIVES2019](#) will offer tremendous opportunity to learn, interact and discuss.

The ICU Management & Practice Team will be there at #LIVES2019. Visit us at Booth #122 and pick up your copy of our latest journal issue with a cover story on Nutrition.

We hope to see you there. Stay tuned for #SoMe updates and follow us [@ICU_Management](#) as we report live from Berlin.
