

## Mark Burgess Named President North America, Agfa HealthCare

---

New appointment joins recently reinvigorated roster of leadership at both global and regional levels. Agfa HealthCare announced Mark Burgess as President North America Agfa HealthCare, effective in October 2022. Burgess is based in Raleigh, North Carolina.

□

With extensive experience in healthcare information technology, Burgess joined Agfa HealthCare from NextGen HealthCare, where he was Senior Vice President, Ambulatory Markets. He has also held leadership positions at Cerner (now Oracle Cerner) and Allscripts and, throughout his career, managed sales, consulting, product management and corporate strategy.
