## Medical Affairs Summit 2024: Clinical Trial Leaders Gather at Encore Boston Harbor, Boston, MA

---

The Medical Affairs Summit, scheduled for 24 - 25 October at the prestigious Encore Boston Harbor, in Boston, MA, is an exclusive, invitation-only summit that will bring together Clinical Trial Executives Representing Americas Pharmaceutical Industries and Innovative Pharmaceutical Companies from Across North America.

The summit's content is aligned with key medical affairs challenges and interests, relevant market developments, and practical and progressive ideas and strategies adopted by successful pioneers.

Key topics of the PWM September Summit 2024 include:

- Health Equity Through The Medical Lens
- Generative AI And Chat GPT In Medical Affairs
- Examining The New Scope For KOL Engagement
- Unveiling The Value Of Medical Affairs
- How Omnichannel Engagement Provides Strategic Value
- Guaranteeing Launch Excellence

This year's speaker lineup includes:

- **Victoria Samonte, M.D.**, Director, Medical Affairs, **Abbott**
- **Giovanni Passiatore**, Head North America Medical Affairs , **Chiesi Global Rare Diseases**
- **Donnie Wooten**, Head, Global Field Medical Excellence & Omnichannel Engagements, **Organon & Co.**
- **Mansi Jamindar**, Medical Director, Oncology, **Daiichi Sankyo, Inc.**

The Medical Affairs Summit promises to be an unparalleled experience, offering participants a unique opportunity to gain insights from presentations and panel discussions. The summit provides a platform that helps leading medical affairs executives connect, evaluate and partner with relevant service providers through personalized one-on-one meetings.
