
Volume 1 / Issue 1 Spring 2006 - The European Association of Healthcare IT Managers

Membership Application

Membership

As the only pan-European association dedicated to healthcare IT management, EAHITM offers its members unique opportunities to:

- + participate in advocacy groups that impact EU healthcare IT legislation;
- + share your knowledge with and learn from the experiences of your peers;
- + learn industry best practices and standards, and
- + attend the EAHITM annual General Assembly, Congress and other special events. Membership in EAHITM consists of three levels:

Full Members

Full members are comprised of national healthcare IT management associations, with the opportunity to nominate one representative to the EAHITM annual General Assembly. This representative will have the power to speak and vote on EAHITM priorities & organisational objectives, fundamental advocacy efforts, election of the Executive Members and the Board, and much more.

Associate Members

Associate members are representatives from healthcare IT organisations, with the opportunity to speak, but not vote, at the EAHITM annual General Assembly. Associate members will also have the privilege of electing one member to represent them in the Executive Members group.

Individual Members

Individual members are directly involved with healthcare IT management, with the opportunity to elect one member with the power to speak, and vote at the EAHITM annual General Assembly. Individual members will also have the privilege of electing one member to represent them in the Executive Members group.

Corporate Members

Corporate members are representatives from corporations engaged in supplying products and services to the healthcare IT sector. While corporate members may attend the annual General Assembly, they do not have the power to speak or vote. However, corporate members may elect one member from amongst the Diamond Founding Supporters to represent them in the Executive Members group.

Opportunities for Corporate Support

The successful establishment of this critically needed Association will not be possible without the support of industry leaders. EAHITM therefore offers several opportunities to contribute to the growth and development of EAHITM. Participation as a Founding Corporate Supporter gives your organisation a powerful marketing edge with indispensable benefits that allow you to connect with new prospects and reinforce your message with existing clients. Most importantly, your sponsorship efforts prove you are more than just a vendor - you are an innovative leader who supports our goals.

For more information on membership or corporate support opportunities, please contact Karmin Ruocco, Project Director of EAHITM, at k.ruocco.pd@eahitm.org.
