

Michal Dybowski Appointed Government and Public Affairs Director at Polska Federacja Szpitali

Michal Dybowski has been appointed as the Government and Public Affairs Director at Polska Federacja Szpitali (PFSz), effective December 2023. Dybowski is a well-known expert in government affairs, sustainability, and healthcare system development, and he brings a wealth of experience to his new role.

As Government and Public Affairs Director, Dybowski will be responsible for driving the growth and development of the Polish healthcare system. He will lead policy advocacy and strategy development efforts, collaborating closely with government bodies and regulatory agencies to shape healthcare policies that align with the long-term goals of the Federation.

Dybowski's mandate will include extensive stakeholder engagement, where he will build and maintain relationships with key stakeholders, including government officials, industry leaders, and healthcare professionals. Through dialogue and collaboration, he will champion the interests and objectives of the Federation, ensuring effective representation within the healthcare sector.

Moreover, Dybowski will oversee public relations activities, enhancing the visibility and reputation of the Federation through strategic communication initiatives. His focus on regulatory compliance will ensure that the Federation's operations adhere to pertinent laws and regulations, navigating the evolving regulatory landscape with confidence.

Dybowski's commitment to sustainability will extend to his role as Chief Sustainability Officer, where he will implement sustainable practices within the Federation and the broader healthcare system. He will also drive healthcare system development by initiating and supporting innovative projects and reforms aimed at improving healthcare delivery and patient outcomes.

In his leadership capacity, Dybowski will foster a collaborative environment, working closely with dedicated teams and other departments to ensure cohesive efforts towards shared goals. His nomination as Government and Public Affairs Director underscores his dedication to advancing the Polish healthcare sector and effectively representing the interests of member hospitals. Dybowski is confident that he will make a significant contribution to the Federation and the broader healthcare industry.
