Our Top Management & Leadership Tips for 2016

HealthManagement.org: Top Management & Leadership Tips

HealthManagement.org publishes the latest on cutting edge practice in healthcare management across our Imaging, ICU, Admin, IT and Cardiology platforms contributed from top experts around the world.

We've compiled a list of the best management tips we've received from our valued contributors in 2015 to inspire you for the New Year. Read on and enjoy!

“Get the right people on the bus. Hire incredibly passionate, capable and honest people with a sense of urgency. Make sure honesty means *telling the whole truth AND stopping the misunderstanding of the truth*”

[Kent L. Gale](#) is KLAS Founder and Chairman of the Board of KLAS Enterprises LLC

“Avoid all variations that are not clinically justified.”

[Prof. Davide Caramella](#), Associate Professor of Radiology at the University of Pisa and member of the Imaging Section of the HealthManagement Editorial Board.

“Critical care is as complex an area as a symphony. It takes an orchestra to play it. We cannot all play the same instrument, but we must be all on the same key .

[Professor Claudio Ronco](#) is Director of the Department of Nephrology and Transplantation at the International Renal Research Institute (IRRI), San Bortolo Hospital, Vicenza, Italy.

“In building a small organisation, be uncompromising in populating it with excellence. Hire all A players, since As attract As and Bs attract Cs.”

[Neal F. Kassell, MD, founder and chairman of the Focused Ultrasound Foundation](#)

**“Personal – use technology for project and time management.
Interpersonal – encourage diversity to stimulate creativity.”**

[Professor Jan De Waele is an intensivist at the Surgical ICU](#) of the Ghent University Hospital in Ghent, Belgium

“Lead by example, and empower your staff to deliver. “

[Professor Clive Kay](#) is Chief Executive of Bradford teaching Hospitals NHS Foundation in the UK

“You will never please all of the people all of the time.”

[Erika Denton, National Clinical Director, Diagnostics, NHS England](#)
