

## Petra Jumpers Joins Vertex Pharma: Leading Transformative Medicine

---

After enjoying two fulfilling decades at Eli Lilly and Company, Petra Jumpers is embarking on a new professional venture. Expressing immense gratitude for Lilly's enriching international opportunities, Petra acknowledges the valuable experiences gained, working alongside skilled colleagues and forming enduring friendships. Offering sincere support, Petra wishes them continued success.

In an exciting update, Petra reveals she is joining Vertex Pharmaceuticals as the Regional Vice President for the Northern Europe and Australia Region, stationed in London. Speaking highly of Vertex Pharmaceuticals as a global biotechnology firm dedicated to scientific innovation for severe illnesses, Petra admires the team's passion and dedication, evident within the initial days of joining.

Feeling fortunate and invigorated for the journey ahead, Petra eagerly anticipates collaborating with teams across countries, regions, and the global organisation to introduce potentially life-changing medicines and therapies for patients. Looking forward to meeting more colleagues in person in the upcoming weeks and months, Petra is enthusiastic about the path ahead.
