### **Philips iSite PACS “Best in KLAS: PACS Category”**

---

Philips Medical Systems, a division of Royal Philips Electronics, announced that Philips iSite PACS was named “Best in KLAS PACS” in the 2005 Top 20 Year-End Best in KLAS Awards report from KLAS Enterprises. This is the third consecutive “Best in KLAS” ranking for iSite.

The report categorises each vendor product into a market segment where like products are compared and ranked based on data collected between October 15, 2004 and November 15, 2005 as reported by professionals from integrated delivery networks, clinics, and acute care facilities. KLAS evaluates vendors by collecting a series of product and vendor evaluations covering 40 performance areas from these healthcare provider organisations.
