

Prof Pavel Dufek Assumes Role as Associate Consultant at Sporthopaedic-Hamburg

Sporthopaedic-Hamburg announces the appointment of Pavel Dufek, Prof. Dr, as the newest member of their esteemed team, serving as Associate Consultant. Bringing with him decades of profound expertise in surgical and conservative orthopaedics and sports traumatology, Dr Dufek has garnered extensive experience from across various European countries, Russia, and the United States.

Dr Dufek's remarkable career has been marked by a portfolio of over 20,000 successful operations, primarily specialising in artificial joints, paediatric orthopaedics, foot surgery, and shoulder, knee, and ankle traumatology. His dedication to the field is evident through his longstanding tenure at Nice Clinic, where he served as a Senior Consultant for 29 years. During his impressive career, he further assumed the role of Director of Medical Services at Nice Clinic Neustadt, contributing an additional 18 years of valuable service.

Sporthopaedic-Hamburg is thrilled to welcome Dr Dufek to their team, confident that his wealth of experience and commitment to excellence will significantly enhance their orthopaedic and sports traumatology services. Adding such a distinguished professional underscores the clinic's ongoing commitment to providing their patients top-tier medical care and expertise. Dr Dufek's presence is anticipated to elevate the clinic's standing as a leading institution in the field further.
