

Renee Stacey – Vice President Marketing at Sectra

As of June 2023, Renee Stacey has started a new position as Vice President Marketing at Sectra.

Renee Stacey was previously Vice President Corporate & Demand Marketing at TeraRecon, before becoming AVP Field Marketing at Aidoc in 2022.

Stacey has more than 25 years of experience in marketing, kicking off her career in 1995 as Marketing Manager at Oracle Corporation, and later becoming Marketing Director at Agfa Healthcare in 2000.

Stacey has years of product marketing experience, having held the position as Product Marketing Director for Radiology at Nuance Communications for several years.

Renee Stacey is a creative and engaging storyteller and growth leader who leverages every tool in the marketing bag to make an impact in healthcare.
