

Rozaliya Embarks on Role as Business Development Representative at Xebia

Xebia, a leading entity in the realm of data innovation, welcomes Rozaliya as their new Business Development Representative, marking the commencement of her tenure in December 2023.

The Xebia Data Academy, known for its commitment to fostering expertise in the dynamic domain of data, emphasises the paramount importance of skill development for professionals striving to maintain a competitive edge.

Prior to joining Xebia, Rozaliya served as an Account Executive at Pixyle.ai, a cutting-edge platform providing Visual AI solutions tailored for fashion retailers. Her contributions included facilitating enhanced catalog management, increased conversions, and amplified sales through innovative solutions such as automatic tagging, similar recommendations, and visual search capabilities. Her expertise in this domain positions her well for her new role, promising impactful contributions to Xebia's dynamic initiatives in business development.
