

Tegra Medical Announces New Director of Finance

Tegra Medical, a premiere end-to-end contract manufacturer in the medical device industry, is pleased to announce that Karen Kong is the company's new Director of Finance. Kong will report to Walter Kobler, Chief Executive Officer and Head of SFS Division Medical, and will lead Tegra Medical's worldwide finance and accounting organization.

"We are extremely pleased to welcome Karen to Tegra Medical's senior leadership team," said Kobler. "Karen offers deep experience in corporate finance in the U.S. and abroad, which will be put to good use as Tegra Medical further increases its worldwide medical device manufacturing presence."

Tegra Medical is pleased to announce Karen Kong as the company's new Director of Finance.

Kong recently worked at Schindler Elevator, where she held various finance and controlling positions. She attended the University of Nottingham in England, where she earned a PhD in Economics and an M.S. degree in Financial Economics.
