Limerick, PA – Teleflex Incorporated (NYSE:TFX) announces the completion of the acquisition of Hudson Respiratory Care, Inc. (Hudson) a leading provider of disposable medical products for respiratory care and anaesthesia. With the completion of the acquisition, Hudson becomes part of Teleflex Medical’s Medical Products business which designs, manufactures and distributes disposable products for the clinical specialties of anaesthesia, respiratory care and urology.

Teleflex’s agreement to acquire Hudson from entities controlled by Freeman Spogli & Co. and management was previously announced on May 17, 2004.

About Teleflex Medical

Teleflex Medical, a division of Teleflex Incorporated, is a leading global supplier of disposable medical products, surgical instruments and medical devices. Teleflex Medical markets health care supplies under the Hudson and Rüsche brand names and surgical instruments and medical devices under the Beere, CVEvolutions, Deknatel, KMedic, Pilling, and Weck brands. The company also offers on-site operating room services for integrated health networks and custom instrument design and manufacture for OEMs. Headquartered in Bannockburn, Illinois, Teleflex Medical employs more than 7,000 people around the world.

About Teleflex

Teleflex Incorporated (NYSE:TFX) is a diversified industrial company with annual revenues of over \$2 billion. The company designs, manufactures and distributes quality engineered products and services for the automotive, marine, industrial, aerospace and medical markets worldwide. Teleflex employs more than 21,000 people worldwide who focus on providing innovative solutions for customers. For more information, see www.teleflex.com.
