The European Associations of Healthcare IT Managers

The European Association of Healthcare IT Managers (HITM) is a non-profit pan-European umbrella association of all relevant national healthcare IT associations in Europe. Believing in the fundamental importance of unifying healthcare

IT professionals at European and global levels, HITM is committed to increasing the professional authority and responsibility of healthcare IT managers and representing their interests to international institutions and associations.

HITM is strategically based in Brussels, for easy access to the European institutions and associations.

HITM's Mission

Ó To establish common healthcare IT standards, best practices, cross-border collaboration, unifying policies and strategies at EU and international levels

Ó To increase the visibility, role and importance of IT management in healthcare facilities

Ó To educate key policy-makers, industry players and the general public about the benefits of healthcare IT

Ó To promote cross-collaboration in different healthcare sectors

Ó To promote the efficient, cost effective use of IT
