## Theravance Biopharma, Inc. Announces Appointment of Jim Kelly to Board of Directors

---

Theravance Biopharma, Inc. announced the appointment of Jim Kelly, Managing Director at Weiss Asset Management, the Company's second largest shareholder, to its Board of Directors. With the appointment of Mr. Kelly, four new directors have joined the Company's Board of Directors since 2018 as part of its ongoing board refreshment process.

"We are pleased to welcome Jim Kelly to the Theravance Board of Directors. Weiss Asset Management has been one of our largest shareholders since 2021, and Jim has extensive investment experience as well as a thorough understanding of our industry, our Company and the communities we serve," said Rick E Winningham, Chairman and CEO. "We believe Jim's perspective, knowledge of the capital markets and deep financial acumen are highly valuable to, and further strengthen, our Board as we continue to execute on our strategy and seek to maximize value for all of our shareholders."

"I am excited to join the Board of Directors of Theravance Biopharma," said Mr. Kelly. "I am personally devoted to the success of this Company, and I am committed to leveraging my experience to support the Company in achieving its full potential. I look forward to working collaboratively with my fellow Board members and management to drive continued success for the Company and deliver short- and long-term growth and shareholder returns."

Mr. Kelly is currently a Managing Director of Weiss Asset Management and a member of the firm's Investment Committee. Mr. Kelly has nearly twenty years of experience as a professional investor in the public and private markets and a decade of experience investing in healthcare. Prior to joining Weiss Asset Management, Mr. Kelly was an analyst at Farallon Capital Management, Madison Dearborn Partners and Lehman Brothers. Founded in 1991 and based in Boston, Weiss Asset Management has approximately \$3 billion in assets under management.
