
Trey Lauderdale is starting a new position as Board Member at Title21 Health Solutions

Trey Lauderdale has been appointed to the Board of Directors of Title21 Health Solutions, a company that provides quality assurance software for cell and gene therapy. This appointment is set to take effect in August 2023 and adds to his extensive experience in the healthcare and technology industries.

Lauderdale, known for his advisory and board positions, is currently serving as an Advisor, Investor, and Board Member at Telebelly Health. This company focuses on simplifying GI care procedures, assisting professionals, and empowering patients. His two-year commitment to Telebelly Health demonstrates his passion for creating innovative healthcare solutions in San Luis Obispo County, California.

Lauderdale's diverse contributions demonstrate his commitment to shaping the future of healthcare through technology-driven solutions and strategic leadership in forward-thinking enterprises.
