

Valley Medical Group Welcomes Chair of Primary UAG Alumni Ivannette Juarbe-Ramos, MD

[Valley Health System](#) is pleased to announce the appointment of Ivannette Juarbe-Ramos, MD, as Chair of Primary and Urgent Care Services and Medical Director of Quality for Valley Medical Group.

Dr. Juarbe-Ramos is board certified in [family medicine](#). She loves that as a family medicine physician, she can establish a long-standing relationship with patients. "Building a real rapport with patients gives me the opportunity to have both a positive effect on the quality of life and overall health span of my patients."

Prior to Valley, Dr. Juarbe-Ramos served as the Regional Medical Director and Quality Medical Director for Adult Medicine at [Sun River Health](#) in [New York](#). She is also a board member of the [American Heart Association](#)'s chapter in [Westchester, New York](#).

"I love what I do and the possibility of making a positive impact on my patients is what motivates me to continually be a better practitioner," said Dr. Juarbe-Ramos. "I believe it is important that patients take an active role in their own healthcare, and we can help them build self-efficacy in order to maximize their potential quality of health."

"We are excited to have Dr. Juarbe-Ramos join the Valley team," said [Robert Brenner, MD](#), President of Clinical Integration and Physician Enterprise for Valley Health System. "Her leadership experience will be vital to the operations of our primary and urgent care services."

Dr. Juarbe-Ramos received her medical degree from Universidad Autónoma de Guadalajara in Jalisco, Mexico. She completed a residency in family and community medicine from [New York Medical College](#) in [Valhalla, New York](#), and a traditional residency program at [Hospital Damas](#) in [Ponce, Puerto Rico](#).
