

Value-Based Care Summit 2025: Shaping the Future of Healthcare Delivery

marcus evans is proud to announce the [Value-Based Care Summit](#), an exclusive, invitation-only event bringing together senior executives from public and private health insurance plans, ACOs, integrated hospital systems, independent physician groups, and innovative solution providers. Taking place at the **Encore Boston Harbor**, this premium summit will address the most pressing challenges and opportunities in value-based care delivery and contracting.

This year's summit will feature an impressive lineup of speakers, including:

- **Traci Biondi**, Chief Medical Officer, Prominence Health
- **Jordan Weisman**, Behavioral Health – Chief Medical Officer, AmeriHealth Caritas
- **Christina Severin**, President & CEO, Community Care Cooperative (ACO)
- **Eric Cioè Peña**, Vice President of Global Health, Northwell Health
- **Andrew Chang**, National Vice President of Network Development, Strategic Markets, Aledade, Inc.

Key topics for 2025 include:

- The evolution of value-based care models and payment structures
- Addressing workforce challenges and strengthening primary care
- Driving health equity through SDoH and community-based interventions
- Leveraging AI, interoperability, and digital health tools to revolutionize care delivery

The Value-Based Care Summit is designed to foster strategic partnerships and provide actionable insights to advance sustainable, high-quality healthcare. Attendees will benefit from visionary keynote presentations, interactive sessions, and unparalleled networking opportunities.

With over 40 years of experience producing premium business events, marcus evans is committed to delivering a world-class experience that empowers healthcare leaders to drive innovation and achieve measurable outcomes.
