
Visit ICU Management & Practice at ISICEM

Two Good Reasons to Visit ICU Management & Practice at ISICEM

ICU Management & Practice will be at booth number #D6-D7, in the registration area, on the way to Bozar. Hope to see you again or meet you for the first time in Brussels!

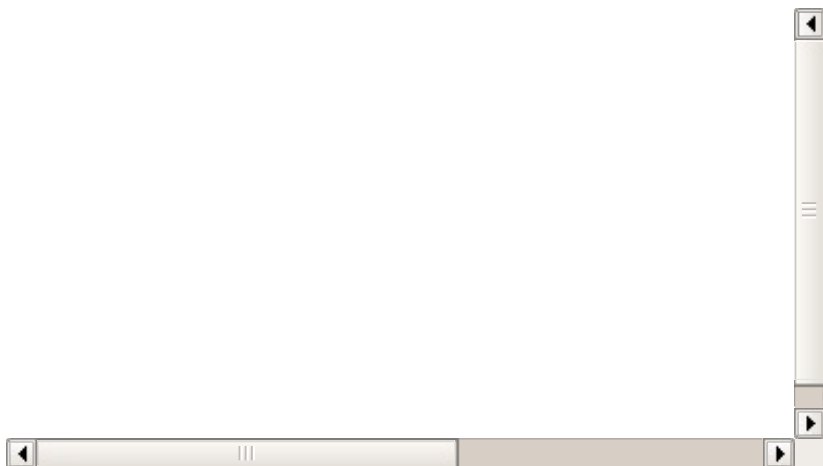

1. Pick up your copy of the latest issue of ICU Management & Practice

Did you know that your ISICEM registration includes a complimentary 1-year subscription to *ICU Management & Practice*? Come and pick up a hard copy of our latest issue with a cover story on ECMO, an interview with Prof. Todd Dorman, President of the Society of Critical Care Medicine, a country focus on Denmark and articles on biomarker guided antibiotic therapy, lung protective ventilation, medication safety, frailty, antimicrobial copper touch surfaces, bedside ultrasonography, transforming measurement into understanding, the patient and relative perspective, the role of dietitians and of librarians in the critical care team, and publiometrics.

2. Take a Minute to Let Us Know your Thoughts

Join your colleagues who have already taken part in a [I-I video. One minute, one question, one answer...](#)

Here is *ICU Management & Practice*'s Editor-in-Chief and ISICEM'S founder Prof. Jean-Louis Vincent talking in 2015 about what 35 years of ISICEM means to him:
