
ICU Volume 9 - Issue 2 - Summer 2009 - Exhibitors @ RSNA 2010

Zeus Infinity Empowered Drager's Most Advanced Anaesthesia Workstation

The new Zeus Infinity Empowered (IE) provides seamless integration of ventilation, volatile and intravenous anaesthesia, patient monitoring and information management in a single, elegant solution.

ICU-quality ventilation, Target controlled anaesthesia and an intuitive and simple user interface design philosophy are just some of the innovative features of the Zeus IE.

The Zeus IE with its unsurpassed level of integration and automation of routine processes gives you unparalleled control over the entire anaesthesia process so that you can stay focused on your main objective - caring for your patient.
