## ZOLL Receives Clearance To Market New R Series BLS And R Series Plus Defibrillators

---

The new R Series BLS and R Series Plus are designed to extend simple, smart and ready defibrillation to every hospital department with advanced, cost-effective solutions for resuscitation. The R Series BLS is a simple, easy-to-use AED that becomes a full-featured, advanced life support device for critical care at the touch of a button. The R Series Plus, which has both AED and ALS capabilities at the touch of a button, also has networking capabilities and See-Thru CPR
