Anne Cooper - Deputy Professional Lead, Professional Leadership Group, HSCIC  
Q&A Panel Discussion

## BIG DATA AND IMAGING INFORMATICS

### DAY ONE

Tuesday 3 November

### THEATRE E

10:15

#### Experience The Future Of Operating Room Technology

Matthias Lubkowitz, Vice President OR Solutions, EIZO GmbH

11:30

#### Integrating imaging capabilities into the EPR

Frederick Gustavsson, Chief Technology Officer, SECTRA

12:30

#### Using routinely collected data to understand the importance of nursing to patient safety

Professor Alison Leary, Chair of Healthcare and Workforce Modelling, London South Bank University

Judith Smith, Lead Nurse Quality and Safety, University Hospitals Coventry and Warwickshire NHS Trust

Sarahjane Jones, Research Fellow, Birmingham City University, Birmingham, UK

Dr Robcook

14:15

#### The digitisation of pathology: the next big digitisation in healthcare and what you need to know

Jane Rendall, Managing Director, Sectra, Milton Keynes, UK

15:15

#### Using big data techniques to predict health outcomes

Dr Rupert Dunbar Rees, Founder and CEO, Outcomes Based Healthcare, London, UK

## UK IMAGING INFORMATICS GROUP

### DAY TWO

Wednesday 4 November

### THEATRE E

09:30

#### Welcome

Dr Mark Griffith, Chair

09:45

#### Evolution of PACS: Achieving top tier clinical workflows with VNA

Pontus Haglund, Product Marketing Manager, Sectra

10:15

#### Mobile Devices in Healthcare

Adam Carson, Birmingham Children's Hospital

10:45

#### Break to Exhibition

11:30

#### Image Sharing and XDS in the South

Nick Sargeant, SWASH Consortium

12:00

#### Integrated Diagnostics

Dr Brendan Devlin, Former Clinical Lead for Northern Ireland, PACS

12:30

#### PACS and EPR

Dr Constantin Jabarin, Clinical Fellow in Emergency Medicine & Chief Clinical Information Officer, The Great Western Hospital, Swindon

13:00

#### FREE Lunch and IHE Showcase: on Stand D03

14:00

#### PACS-less Remodeling of Medical Imaging Technology

Dr Marc Wallace, Pittsburgh, PA

14:30

#### A Trust Experience of a VNA

Ian White, Interim Programme Manager, Regional Imaging Collaborative, Bradford Teaching Hospitals NHS Foundation Trust  
Tony Tomkys, VP, UK and Ireland, Bridgehead

15:00

#### Break to Exhibition

15:30

#### A Swedish approach to the management and sharing of digital images in healthcare

Lena Issoufou Andersson, Coordinator, Picsara Operative Group

16:00

#### IHE Radiology: What's new and Emerging

Christopher Lindop, GE Healthcare

16:30

#### Q&A

Sponsored by

## OPEN SOURCE, DATA STANDARDS AND GOVERNANCE

Sponsored by

## HEALTH AND SOCIAL CARE INTEGRATION CONFERENCE

### DAY ONE

Tuesday 3 November

**THEATRE D**

**10:00**

#### **Case Study: The future of electronic patient information**

Malcolm Senior, Director of Informatics, Taunton and Somerset NHS Foundation Trust  
Shane Tickell, Chief Executive Officer, IMS Maxims, Milton Keynes, UK

**10:45**

#### **Code for Health**

Peter Coates, Open Source Program Head, NHS England

**14:15**

#### **Microsoft and Open Source: myth or reality?**

Boris Devouge, Director - Open Source Strategy, Microsoft UK

**15:15**

#### **Patient centric digital health**

Dr Zakiuddin Ahmed, CEO, Digital Care

**16:15**

#### **The economics of open source**

Malcolm Newbury, Consultant, Guildfoss Ltd

### DAY ONE

Tuesday 3 November

**THEATRE B**

**09:45**

#### **The digital revolution: transforming people and communities**

Dr. Shadid Ali, Professor of Digital Health, College of Health and Social Care, University of Salford, Salford, UK

**11:00**

#### **The role of evidence-based technologies in making health and social care information accessible**

Beverley Suzanne Ellis, Principal Lecturer, Health Informatics Team, School of Health, University of Central Lancashire, Lancashire, UK

**12:15**

#### **The Journey to Population Health - Solihull Together for Better Lives Vanguard Site**

Helen Kelly, Director, Solihull Together for Better Lives Programme  
Dr Mike Baker, Governing Body GP, Solihull CCG  
Dr Joel Ratnasothy, Vice President of Product Strategy, Caradigm EMEA,

**14:15**

#### **The role of apps in the integration of health and social care and the management of mental health**

Diarmaid Crean, Deputy Director- Digital, Public Health England

#### **The Health and Social Care Network**

Haroona Irshad-Franklin, Senior Responsible Owner for the Health and Social Care Network, Department of Health

## DIGITAL PRIMARY CARE

**DAY ONE**  
Tuesday 3 November

**NHS England Theatre  
Stand H28**

- 10:15** **Digital Primary Care Strategy**  
Tracey Grainger, Head of Digital Primary Care Development, NHS England
- 11:00** **Patient Online Progress**  
Alan McDermott - Programme Director Patient Online, NHS England
- 11:45** **Improving Outcomes with 'Active' Clinical Decision Support**  
Robert Dunlop, Clinical Director, Elsevier Clinical Solutions
- 12:30** **Primary Care Integration to Support New Models of Care**  
Tracey Watson, Head of Partners and Commercial, NHS England  
Indi Singh, Head of Enterprise Architecture, NHS England
- 14:00** **The Future of Clinical Decision Support: Urgent and Emergency Care**  
Deborah El-Sayed, Director of Digital and Multi Channel Development, NHS England  
Dr Ossie Rawstorne, NHS 111 Medical Advisor, NHS England
- 14:45** **Patient Access to Detailed Records**  
Dr Masood Nazir, National clinical lead for Patient Online, NHS England
- 15:30** **The Evolving Digitally Enabled Patient**  
Helen Rowntree, Head of Digital Services, NHS England

**DAY TWO**  
Wednesday 4 November

**NHS England Theatre  
Stand H28**

- 10:15** **Digital Primary Care Strategy**  
Tracey Grainger, Head of Digital Primary Care Development, NHS England
- 11:00** **The Future of Clinical Decision Support: Urgent & Emergency Care**  
Deborah El-Sayed, Director of Digital and Multi Channel Development, NHS England  
Dr Ossie Rawstorne, NHS 111 Medical Advisor, NHS England
- 11:45** **Improving Outcomes with 'Active' Clinical Decision Support**  
Robert Dunlop, Clinical Director, Elsevier Clinical Solutions
- 12:30** **Patient Access to Detailed Records**  
Dr Masood Nazir, National clinical lead for Patient Online, NHS England
- 14:00** **Primary Care Integration to Support New Models of Care**  
Tracey Watson, Head of Partners and Commercial, NHS England  
Indi Singh, Head of Enterprise Architecture, NHS England
- 14:45** **The Evolving Digitally Enabled Patient**  
Helen Rowntree, Head of Digital Services, NHS England
- 15:30** **eHealth: The Age of Enlightenment**  
Dr Marcus Baw - Locum GP, Clinician Demand

## INTEGRATION AND INTEROPERABILITY

## 3D PRINTING

### DAY TWO

Wednesday 4 November

THEATRE D

10:45

#### 3D printing and open source

Samantha Payne, COO, Open Bionics, Bristol, UK

11:45

#### 3D-Bioprinting for Reconstructive Medicine and Tissue Regeneration

Dr Daniel Thomas, Senior Researcher, Welsh Centre for Printing and Coating, College of Engineering, Swansea University, Swansea, Wales

12:45

#### 3D Printing in medicine

Russell Harris, Director of the Additive Manufacturing Research Group, Professor of Medical Engineering and Advanced Manufacturing, Enabling Technologies Research Challenge Leader, Loughborough University, Loughborough, UK

14:15

#### 4D Printing of Inflated Structures for use in Dielectric Elastomer: 'Artificial Muscles'

Fergal Coulter, PhD Candidate, Nottingham Trent University, Nottingham, UK

15:15

#### 3D bioprinting: securing the opportunity

David Williams, Professor of Healthcare Engineering, University Academic Research Challenge Lead - Health and Wellbeing, Loughborough University, Loughborough, UK

### DAY TWO

Wednesday 4 November

THEATRE B

10:15

#### Information and Interoperability to support continuity of care

Dr Phillip Scott, Senior Lecturer, Member of the Centre for Healthcare Modelling and Informatics, The School of Computing, University of Portsmouth, Portsmouth, UK

11:30

#### Creating and Sharing Urgent Care Plans

Dr Julia Riley, Palliative Care Consultant, The Royal Marsden NHS Foundation Trust, Clinical Lead Coordinate My Care

12:30

#### Interoperable EPR

Adrian Byrne, Director of IM&T, University Hospitals Southampton NHS Foundation Trust, Southampton, UK

14:15

#### Facilitating application integration and systems interoperability with GP Systems of Choice (GPSoC)

Cleveland Henry, Director, NHS Choices

## HANDI HEALTH APPS

### DAY ONE

Tuesday 3 November

STAND C01

#### Open Eco Systems

10:15

##### Digital Sophia

**Emily Macdonald**, Creator - Digital Sophia and part of NHSE Code4Health Community

10:40

##### Open Odonto

**Dr Rebecca Wassall** - Lecturer, Researcher and Senior Community Dentist - Newcastle

11:30

#### Open Digital Eco-Systems

**Paul Cooper**, Research Director - IMS Maxims

11:55

**Prof John Fox**, Professor of Engineering Science and Cognitive Systems – Oxford University

#### App Accreditation

12:30

TBC

12:55

**Mark Salmon** - NICE and Diamaid Crean, Deputy Director, Digital - Public Health England

#### Wearables

14:15

TBC

14:40

**Practicalities of integrating technology into clinical practice, using the Parkinson's Kineti-Graph**

**Suma Surendranath**, Professional Engagement Manager - Parkinsons UK

**Andrew Mumford**, Director – Octopus

#### Open Digital Eco-Systems

15:15

**Ewan Davis**, Director and Co-Founder HANDI Health CIC, Director Woodcote Consulting

15:40

**Ian McNicoll**, Co-chair of the openEHR Foundation, Director HANDI Health CIC

#### App Case Studies

16:15

**Demonstrating effective ROI at scale for your app**  
**Tom Whicher**, Founder - DrDoctor

16:40

**Louise Rogerson**, Director of Service Development – Intelesant

### DAY TWO

Wednesday 4 November

STAND C01

#### open Eco Systems

10:15

TBC

10:40

**Rebecca McCarter**, Learning & Teaching Development Officer – Bradford University Life Sciences

#### open Digital Eco-Systems

11:30

**Tony Shannon**, Director- Leeds Care Record Programme and Director - Ripple Programme

11:55

**Marcus Baw**, General Practitioner, Emergency Physician, Healthcare IT Adviser

#### App Accreditation

12:30

**Rob Turpin**, Healthcare Market Development Manager - BSI

12:55

**Charles Lowe**, Managing Director - Digital Health And Care Alliance (DHACA)

#### App Case Studies

14:15

**Six Lessons From Developing Medical Apps**  
**Scott Hague**, Owner & Development Director - Integrated Change

14:40

**Amy Hardy**, Research Clinical Psychologist - Kings College London

15:15

**Campbell Grant**, founder and CEO of the Sitekit Group

15:40

**My Cancer Assist: Delivering Cancer care through innovation**

**Sarah Payne**, Doctor - Guy's and St Thomas' Foundation Trust

**Saira Chowdhury**, Senior Oncology Dietician – Guy's and St Thomas' Foundation Trust

## THE PIPELINE SESSIONS

### DAY ONE

Tuesday 3 November

THEATRE F

10:15

#### The Activist Customer

Cathy Fuhrman, Industry Manager, International Healthcare - Hyland Software, Inc.

11:00

#### The modernisation of Healthcare delivery: how to deliver the on the promise that wireless brings

Henry Batten, Healthcare Manager UK&I - Fortinet Meru

11:45

#### Some is not enough - Healthcare Content in Context

Graham King, Healthcare Solution Architect - Lexmark International Ltd

12:30

#### “The doctors are brilliant – it’s everything else around them that’s disappointing.” Breaking the cycle of despair: How new technology is transforming healthcare delivery.

Robbie Hughes, CEO - Qinec

14:00

#### Realising a paper light NHS

James Longmore, CIO - Worcestershire Acute NHS Trust

14:45

#### The Road to Enlightenment with ExtraHop and Big Data

Peter Draper, Managing Director - Amcuity

15:30

#### Keeping Care Moving: Evolve Patient Manager at South Eastern HSCNI

Sean Dooher, Project Manager - South Eastern Health and Social Care Trust Northern Ireland  
Ruth Marks, South Eastern Health and Social Care Trust Northern Ireland  
Colin Triesdale, Senior Consultant - Kainos Evolve

16:15

#### Cloud First in Healthcare – Hybrid Cloud for Health ICT Agility

James Norman, UK Public Sector CIO - EMC  
Andrew Black, Data Centre Solutions Practice Lead - Kelway

17:00

#### Nervecentre

### WEDNESDAY 4 NOVEMBER 2015

10:15

#### Powering the Future of Patient Care through Data

James Norman, UK Public Sector CIO - EMC  
Andrew Black, Data Centre Solutions Practice Lead - Kelway

11:00

#### Accelerating clinician’s access to application and patient data while safeguarding patient information with Identity and Access Management technologies.

Paul Duffy, co-director of IT and telecommunications - Belfast Health and Social Care Trust

11:45

#### The seven deadly sins of data integration and interoperability

Anil Madhar, Pre-sales Engineer - Enovacom

12:30

#### Big Hand

## BEST PRACTICE WORKSHOP

### DAY ONE

Tuesday 3 November

### SHOWCASE THEATRE

09:45

#### **Applying leading Edge Analytics to Important Quality of Care and Patient Safety**

James Chisholm, Information Manager - Derbyshire Community Health Services, NHS Foundation Trust

10:45

#### **From Malta to Jordan not just Yorkshire – Extending the reach of excellence and expertise**

Eileen Jessop, Deputy Director Informatics - The Leeds Teaching Hospitals NHS Trust

11:45

#### **A Platform for Healthcare Digital Transformation**

Peter Wheeler, Public Sector Account Manager - RedHat

12:45

#### **Identification – Patients, Citizens, Professionals – the key link to health and care integration**

Andy Kinnear, Connecting Care, Programme Director  
Dan Cidon, Chief Technical Officer, NextGate Solutions

14:15

#### **Increasing Safety with Improved Observation**

Jonathan Silver, Clinical Scientist - St George's University Hospitals NHS Foundation Trust

15:15

#### **Baby Buddy**

Alison Baum, CEO - Best Beginnings

16:15

#### **Implementing a standard structure for e-discharge summaries**

Iain Carpenter, PRSB - Chair  
Munish Jokhani, Transfer of Care, Acting Clinical Engagement Lead - HSCIC

### DAY TWO

Wednesday 4 November

### SHOWCASE THEATRE

09:45

#### **Introducing an electronic observations solution: Project review from the CIO of University Hospital Southampton**

Adrian Byrne, Director of Information Management and Technology - University Hospital Southampton NHS Foundation Trust (UHS)

10:45

#### **Sharing Success**

Des Beattie, Regional Sales Manager - INPS

11:45

#### **Guru in Cornwall**

Dr Matthew Boulter, GP Partner, The Alverton Practice, Penzance.  
NHS Kernow Clinical Lead for West Cornwall Hospital.

14:15

#### **Increasing Safety with Improved Observation**

Jonathan Silver, Clinical Scientist - St George's University Hospitals NHS Foundation Trust

15:15

#### **Mazepoint**

## SOCIAL MEDIA VILLAGE

### DAY ONE

Tuesday 3 November

### SHOWCASE THEATRE

11:00

**Anne Cooper**

@anniecoops

12:00

**A recap and spy through the healthcare social media looking glass**

**Teresa Chinn MBE RN, Founder of @WeNurses and healthcare social media specialist**  
@AgencyNurse / @WeNurses

13:00

**Joy's Law for the networked era...**

**Jodi Brown Senior Improvement Manager, Horizons Team - NHS Improving Quality**  
@JodiOlden

14:00

**Twitter, the untapped resource solving healthcare workforce issues**

**Nick Chinn, WeCommunitas Founder**  
@NRCUK

15:00

**Social Media in healthcare - really?**

**Roy Lilley, Health writer and commentator**  
@roylilley

16:00

**#bloodsugarselfies 2015 EHI Awards Best Use of Social Media, unwrapped diabetes.co.uk Diabetes focused community website**

@diabetescouk

### DAY TWO

Wednesday 4 November

### SHOWCASE THEATRE

11:00

**Is Social Media really an effective tool for nurses to share best practice and debate health policy challenges?**

**Dr Terri Porrett, PhD, MSc, RN**  
@gbtpo

12:00

**Being a brand amongst healthcare tweeters**

**Helen Sadler, founder of Monkey Wellbeing**  
@monkeywellbeing

13:00

**Sharing #AHPsactive, a twitter challenge to tweeting AHPs active!**

**Jo Fillingham, Speech and Language Therapist and co-founder of @WeAHPs**  
@jkfillingham

14:00

**Social Media in the NHS supply chain**

**Dee Ward, Business Manager – Needle Exchange, Daniels Healthcare Limited**  
@adeeward / @DanielsHcareLtd

15:00

**Your patients want to help you get better**  
**James Munro, CEO of award-winning social enterprise Patient Opinion**

@jamesfm55 / @patientopinion

16:00

**The power of twitter**

**Joan Pons Laplana, a proud tweeting nurse**  
@thebestjoan
