ORGANISED BY THE BIR SCOTTISH BRANCH
Venue: Royal College of Surgeons of Edinburgh

CPD: 6 credits (applied for)

THE SHAPE OF THINGS TO COME IN SCOTTISH RADIOLOGY ORGANISED BY THE BIR SCOTTISH BRANCH

Venue: The Royal College of Surgeons of Edinburgh

CPD: 6 credits (applied for)

This event will explore the potential impact that new developments will have on radiology practice in Scotland over the next decade. It will not just look at technological advances such as in PACS and advanced visualisation but also at manpower and wider political issues.

Aims:

- To identify the likely changes in Scottish radiology in the medium term future
- Present an overview on how Scottish radiology is developing
- Highlight technological advances

09:00	Registration and refreshments	13:00	Lunch
09:20	Welcome and introduction	14:00	Impact of advanced visualisation technologies Mr Tristan Lawton, Clinical Fellow, Toshiba Medical Visualization Systems
09:30	New Developments in and influence of PACS technologies Mr Charles McCaffrey, Managing Director, Carestream Health	14:45	CAD as a radiology aid and screening tool Speaker to be confirmed
10:15	Networked imaging expertise Dr Nicola Strickland, Consultant Radiologist, Imperial College Healthcare NHS Trust	15:30	Refreshments
11:00	Refreshments	16:00	Accreditation: friend or foe? Dr Ed Nicol, Consultant Cardiologist, Royal Brompton Hospital
11:30	SCIN and Scottish manpower issues Dr Anne-Marie Sinclair, Clinical Director, Imaging, Glasgow Royal Infirmary	16:30	Changes in NHS England: how might they influence Scottish healthcare Professor Erika Denton, National Clinical Director for Diagnostics, NHS England
12:15	Radiology training in Scotland Speaker to be confirmed	17:00	Close

Margaret Brooks, Radiologist (Oban)

Mei Chan Chi, Trainee Clinical Radiologist (Glasgow)

25
NOVEMBER
2015

The branch chair

Dr Giles Roditi

Dr Giles Roditi has been a Consultant Radiologist at Glasgow Royal Infirmary since 1997 with clinical and research interests in cardiovascular radiology, including cardiac CT, cardiac MRI and MRA techniques for which he is a recognised national expert.

He has been involved in promoting non-invasive cardiovascular imaging at all levels in the UK and internationally and is currently Treasurer of the British Society of Cardiac Radiology, the recognised special interest group of the RCR for cardiovascular imaging.

THE SHAPE OF THINGS TO COME IN SCOTTISH RADIOLOGY ORGANISED BY THE BIR SCOTTISH BRANCH

Venue: Royal College of Surgeons of Edinburgh, Nicolson Street,
Edinburgh, EH8 9BZ

By Road

Once onto The City of Edinburgh Bypass (A720, signposted Berwick Upon Tweed, Edinburgh East and North, Leigh) travel 1.48 miles then branch left at Straiton Junction, at the roundabout take the 1st exit onto Burdiehouse Road (A701, signposted City Centre). Continue forward onto Burdiehouse Road, entering Edinburgh. At Kaimes Junction continue forward at traffic signals onto Howden Hall Road (A701, signposted City Centre). Continue forward onto Howden Hall Road, from here the route is fairly straight and you will continue through Liberton Gardens, Liberton Brae, Liberton Road, Craigmiller Park, Mayfield Gardens, Minto Street, Newington, South Clerk Street, Clerk Street. then head onto Nicolson Street and turn right onto West Richmond Street, turn left onto Richmond Place, turn left onto Hill Place and you will have reached Surgeons' Hall.

By Rail

Edinburgh Waverley Station is 10 minutes walk from the College, please exit Waverley via the Market Street opening. Take a right and then 1st left onto Cockburn Street and follow the road/hill until the top. Take a left of the top of Cockburn Street onto The Royal Mile. At the 1st set of lights, take a right onto North Bridge and continue along this route until the College is on your left on Nicolson Street, opposite the Festival Theatre. Once in the front gates, please follow the relevant signage for our event.

By Bus

Inter-city bus services terminate at the St Andrew's Square Bus Station, situated next to the St James Centre shopping centre. Buses from Princes Street (stops on the side of the street lined by shops- [north]) are very frequent. Services passing the College include numbers 3, 5, 7, 8, 14, 30, 31 and 33.
